

SPECIFIC WORKING VISIT OF COMMISSION VII DPR RI TO PT PAN BROTHERS Tbk

Tangerang, 9 December 2022, PT Pan Brothers Tbk (the Company) received the Specific Working Visit of Commission VII DPR RI in Tangerang, Banten.

This visit was conducted by Commission VII DPR RI in order to directly review and obtain information related to the Company, especially as a textile and apparel industry. The Company welcomed the arrival of the Commission VII DPR RI team led by Mr. Dody Maryadi Oekon, ST as Team Leader of Commission VII DPR RI and attended by Mr. Ignatius Warsito as Plt. Director General of IKFT KEMENPERIN, Mr. Adie Rochmanto Pandiangan as Director of Textile, Leather and Footwear Industry KEMENPERIN, as well as members of Commission VII and other KEMENPERIN officials. The reception was carried out with a general introduction of the company profile, a factory tour of PT Pancaprima Ekabrothers' operational facilities, and a discussion session.

On this occasion, the Company's contribution to the country's economy, availability of raw materials, involvement with Small and Medium Industries, energy availability and commitment to emission reduction, contribution to the region and realization of CSR programs, as well as the application of TKDN and budget allocation for Research & Development were the points in discussion. Moreover, Commission VII DPR RI also listened to the obstacles faced by the Company and the expected policy support needs. The results of the activity will become a reference and recommendation to be followed up in the Working Meeting and / or Hearing Meeting by Commission VII DPR RI with relevant partners.

Ms. Anne Patricia Sutanto as VICE CEO of the Company expressed her appreciation for the working visit of Commission VII DPR RI who paid attention to the labor-intensive industrial sector, especially the textile and apparel industry. She also explained the importance of support and cooperation from all parties to the textile and apparel industry sector. The development of this sector will be realized more effectively if collaboration from

various stakeholders occurs. To create an effective collaboration, it requires a common vision and mission and understanding from various parties, so that the collaboration can have a positive impact on our progress together.

The Company believes that this visit can provide a new understanding for Commission VII DPR RI on the Company's operations and the apparel industry in general. Hopefully, the Company's aspirations and contributions can help policy makers to formulate future strategies for a superior and better future Indonesia. Indonesia Can Do It!
