

THE VISIT OF CENTRAL JAVA & DIY'S REGIONAL OFFICE OF THE DIRECTORATE GENERAL OF CUSTOMS AND EXCISE TO PT PAN BROTHERS Tbk BOYOLALI

Boyolali, 15 September 2023, PT Pan Brothers Tbk ("the Company") welcomed the visit of Mr. Akhmad Rofiq as Head of the Regional Office of the Directorate General of Customs and Excise (DGCE) Central Java-DIY and Ms. Yetty Yulianty as Head of Surakarta Customs Office and their entourage.

As the largest export-oriented apparel manufacturer in Indonesia, Customs and Excise (BC) plays an important role in the Company's long-term operations. The visit was conducted as part of BC's Customs Visit Customer program in strengthening the relationship between the government agency and the Company, which has obtained Bonded Zone and Authorized Economic Operator (AEO) facilities. The Company and the Group located in Banten, Central Java, and West Java have been recipients of Bonded Zone facilities since 2011, and AEO certified since 2018. With solid support from BC, the Company successfully exported products to more than 50 countries by 2022, serving various global brands.

The Company's management was represented by Mr. Soeharso as General Manager of Shipping and Mr. Agustiono as Factory Manager of PT Prima Sejati Sejahtera (a subsidiary of PT Pan Brothers Tbk) and his team. The visit began with an introduction session about the company and continued with a discussion about the issues faced by the Company related to Bonded Zone. Then, followed by a factory tour to introduce further about the flow of production processes and operations of the apparel industry.

The Company greatly appreciates the support provided by BC in supporting the development of the Company's global trade. This visit is expected to be a bridge to develop cooperation and good relations between the Company and BC, so as to improve export and import performance that has a positive impact on the sustainability of all parties and the competitiveness of the company in the global market.
