

## ENERGY EFFICIENCY SUCCESS IN BUILDINGS AND INDUSTRIES, PT PRIMA SEJATI SEJAHTERA WINS SUBROTO 2023 AWARD

Bali, 30 October 2023, PT Prima Sehati Sejahtera ("PSS"), a subsidiary of PT Pan Brothers Tbk ("the Company"), was recently awarded the Subroto Award 2023 for the EBTKE Sub-sector in the Energy Efficiency Category of Energy Management in Buildings and Industry.

The Subroto Award is the highest award given by the Ministry of Energy and Mineral Resources (ESDM) through the Directorate General of New, Renewable Energy and Energy Conservation (EBTKE), as a form of appreciation and encouragement for the best performance in clean energy development and efficiency in Indonesia. This award is given to stakeholders who have helped advance the Energy and Mineral Resources (ESDM) sector, especially the EBTKE sub-sector in Indonesia within the past year. In his remarks, the Director General of EBTKE, Yudo Dwinanda Priaadi, said that the submission of the EBTKE Subroto 2023 Sub-sector Award is proof that the government and stakeholders have the same spirit and goal to make the energy transition towards Net Zero Emission (NZE).

The Company and group are committed to sustainability and decarbonization, including the 7th target of Clean and Affordable Energy. PSS has demonstrated its dedication to energy efficiency in buildings and industries through various electricity-saving practices, energy innovation, and measured energy audits. PSS also regularly conducts socialization activities to increase employee awareness of the importance of energy management in everyday life. In addition, the installation of solar panels is a significant part of PSS's renewable energy initiatives, which have become an integral part of the company's energy solution in the production process.

Ms. Anik Kuswandari, PSS Compliance Manager, expressed her appreciation for the award and all parties involved. With the importance of decarbonization efforts, PSS hopes that its initiatives will have a positive impact on the community, environment, and business, in line with the company's progress.
